DRAFT MINUTES OF THE PARISH COUNCIL MEETING HELD ON WEDNESDAY 19TH MARCH 2014

GREAT LONGSTONE VILLAGE HALL AT 7.30PM

Present: Cllr Wendy Long, Cllr James Cox, Cllr Hugh Wright, Sarah Stokes (Clerk), UTE, Cllr Judith Twigg and 1 parishioner.

Public comments.

Cllr J Twigg enquired into any road problems. The PC highlighted that footpath 50 had now been completed and thank you for any involvement J Twigg had with this. It was noted that the project had been along time being finished, but is now complete.

PC comments. Cllr Cox highlighted a number of blocked gulleys, one being near to Croft House entrance on Main St, the other being near to the junction on Station Rd/Grisedale. Cllr J Twigg volunteered to look into these.

Cllr J Twigg stated that some gulleys are left due to cars often sitting over them regularly, there being no access to carry out work.

PC/Cllr J Twigg discussed the problem area of surface gravel coming off Longreave Lane onto the Main rd, near the bridge. It was noted that this was not a problem that used to occur, only in the past few years. There appears to be a problem due to gravel. This area of Longreave Lane was seen as an area where people park to use the Monsal Trail. Cllr J Twigg highlighted that there is a need for parking where people are cycling. It was noted that cars now park closer to the village to use the Monsal Trail.

Resident 1, thanked the PC for clearing Bells style.

Cllr Twigg left the meeting.

The meeting opened at 7.41pm.

The Clerk reported that the hedge/overhanging debris near to the tennis court had now been removed/tidied from the neighbouring property.
